Lake Books announces that its 109th mail-bid sale of numismatic literature is now available on their web site at <http://www.lakebooks.com/current.html> The sale features selections from the library of Dr. Allen Axenfield and contains reference material on U. S. coins, World and Ancient coins, Paper Money, Tokens and Medals, and numismatic ephemera. Of particular note are long runs of "The Numismatic Chronicle" from the Royal Numismatic Society and many of the "Sylloge of Coins of the British Isles". Bids may be placed via email, telephone, fax or US Mail until the closing time of 5:00 PM (EDT) on Tuesday, October 4, 2011. Remember to bid early as ties are won by the earliest bid received.

Good luck with your bidding, Fred
